Text \_\_\_\_\_

Automatic hyphenation, text alignment - justified.

- Formulas in the text are typed in the formula editor, papers with formulas in the form of images are not accepted.
- Font size of the tables - 12 pt.
- Drawings, images, diagrams should be black and white, clear (photos are not accepted). Captions are written in italics, size - 12 pt.
- If the abstracts contain only one scheme, table or diagram it is not necessary to number it. If there are more than one images in the abstracts (charts, tables, diagrams), please, carefully check the numbering to avoid mistakes.
- A bibliographic list (no more than two titles) is written in accordance with GOST 7.1-2003, placed at the end of the text and separated from it by an empty line without a title. References to literary sources in the text are given in square brackets: [1], [2].

**Abstracts which do not meet the requirements for the content and/or design are not published.**

## Deadlines:

**March 25** – deadline for registration and abstracts submission to <http://regconf.vogu35.ru>;

**March 25** – deadline for submission of materials for participation in the exhibition:

**E-mail:** [oisiani@vogu35.ru](mailto:oisiani@vogu35.ru);

**April 5** – invitation of participants;

**April 22-26** – Forum activities.

## Forum Summarizing

Authors (groups of authors) of the best reports, authors of the best projects of the "HTTM-2019" exhibition are awarded with certificates.

According to the results of the Forum, a special edition will be published; it will include the abstracts of the conference and roundtable participants.

The abstracts will undergo a scientific selection and will be checked for incorrect borrowings (plagiarism). The participants from the Vologda region are requested to deliver a speech at the Conference.

The edition of the abstracts is assigned ISBN, UDC and LBC codes.
