

ANNOUNCEMENT № 1

INTERNATIONAL SCIENTIFIC CONFERENCE "UFA AUTUMN MATHEMATICAL SCHOOL"

Bashkir State University, Institute of Mathematics with Computing Center of Ufa Federal Research Centre of Russian Academy of Science, and Samarkand State University (Samarkand, Uzbekistan) host the international scientific conference "Ufa Autumn Mathematical School" to be held from October 16 to October 19, 2019. Venue - Faculty of Mathematics and Information Technologies, Bashkir State University (Ufa, 32, Zaki Validy str., 450074, Ufa, Russia).

The conference scientific program covers the following areas:

- Spectral theory of operators;
- Complex and functional analysis;
- Nonlinear equations;
- Computational Mathematics.

Conference regulations include *plenary*, *sectional* and *poster* presentations, preceded by survey lectures given by science leaders to graduate students and young scientists. These lectures is an important part of the school.

Contacts:
